What To Do If Issues Arise?

Should there be **any** issues while a student is at co-op, please:

- **Address this with the student** in a timely manner
- **Inform our co-op teaching team promptly** so we can facilitate improvement as well as follow our school's progressive discipline model, which is especially important in the event a student's placement needs to be discontinued
 - kvanderheyden@ldcsb.ca, memcguire@ldcsb.ca, spompa@ldcsb.ca

What is Progressive Discipline?

- A corrective action process used for issues with student performance in increasingly serious steps to give employees the opportunity to correct their behavior.
- Allows transparent communication about progress with all parties (guidance counsellors, administrators, parents/guardians) via [JP II Co-op Incident Report – Fill out form](#) before serious consequence (ie: discontinuing placement)
- Should more serious issues occur (safety concerns or illegal activity), please inform us and immediate removal may occur.
